THE HARD MATH — EVERY UNIT

Nothing summarised. The developer's full unit matrix, exactly as quoted.

PRODUCT	BUA SQFT	PLOT SQFT	STARTING	AED/SQFT*	UNITS
4-Bedroom Villa 4-bed	4,346	6,273–6,273	7.2M	1,668	54
5-Bedroom Villa — Luxury 5-bed	5,655	7,005–7,005	8.8M	1,567	55
5-Bedroom Villa — Premium 5-bed	7,857	8,883–8,883	13M	1,666	30

* AED/sqft on BUA (built-up), the metric the developer quotes — net/usable area is smaller, so real net price/sqft is higher. Prices "starting from", AED.

WHAT IT REALLY COSTS — ENTRY UNIT (AED 7.2M)

Developer price	AED 7,250,000	Budget ~4–5% over the sticker in government & registration costs alone. Add a 2% agency fee and any mortgage costs if you finance. The "from" price is never the cheque you write.
DLD transfer fee (4%)	AED 290,000	
Registration & admin	≈ AED 5,250	
All-in, before mortgage	≈ AED 7,545,250	

WHAT THE DEVELOPER DIDN'T DISCLOSE

Shown honestly — ask for these in writing.

- Service charge (AED/sqft)
- Net (usable) area
- Registration / DLD fees
- Per-unit sizes (developer averages per type)
