THE HARD MATH — EVERY UNIT

Nothing summarised. The developer's full unit matrix, exactly as quoted.

PRODUCT	AREA SQFT	STARTING	AED/SQFT*	UNITS
1-Bedroom 1-bed	791	1.2M	1,593	93
2-Bedroom 2-bed	1,178	1.8M	1,587	59

** AED/sqft on the size the brochure prints — it doesn't state whether that's built-up, net or gross — net/usable area is smaller, so real net price/sqft is higher. Prices "starting from", AED.*

WHAT IT REALLY COSTS — ENTRY UNIT (AED 1.2M)

Developer price	AED 1,260,000	Budget ~4-5% over the sticker in government & registration costs alone. Add a 2% agency fee and any mortgage costs if you finance. The "from" price is never the cheque you write.
DLD transfer fee (4%)	AED 50,400	
Registration & admin	≈ AED 5,250	
All-in, before mortgage	≈ AED 1,315,650
