THE HARD MATH — EVERY UNIT

Nothing summarised. The developer's full unit matrix, exactly as quoted.

PRODUCT	BUA SQFT	PLOT SQFT	STARTING	AED/SQFT*	UNITS
4-Bedroom Villa 4-bed	5,146	5,472–5,472	14.1M	2,744	13
5-Bedroom Villa 5-bed	5,392	6,698–6,698	16.2M	3,010	4

* AED/sqft on **BUA (built-up)**, the metric the developer quotes — net/usable area is smaller, so real net price/sqft is higher. Prices "starting from", AED.

WHAT IT REALLY COSTS — ENTRY UNIT (AED 14.1M)

Developer price	AED 14,120,000	Budget ~4–5% over the sticker in government & registration costs alone. Add a 2% agency fee and any mortgage costs if you finance. The "from" price is never the cheque you write.
DLD transfer fee (4%)	AED 564,800	
Registration & admin	≈ AED 5,250	
All-in, before mortgage	≈ AED 14,690,050	

WHAT THE DEVELOPER DIDN'T DISCLOSE
